In the bill daily allowance is claimed at the rate of Rs 1-8-0 per diem. The Comptroller objects to pass the claim in the absence of the Special sanction of Govt. as the rate claimed is only ~~admissible~~ admissible to Lady apothecaries under Appendix 2 of the Mysore Service Regulations

It is submitted that under Govt Rr No. 3868-9 — Mis 736 d. 23rd Sept 1897, a grade of Lady apothecaries was instituted and the Senior Surgeons proposal to promote male Hospital

These officers not having been mentioned in appendix are only entitled to daily allowance under art: 557, which will be as follows: —

Rs 0-12-0 per diem for a month of 30 days
Rs 0-11-7 —— do —— of 31 days.

2. In the bill mileage is claimed for marches of not more than 20 miles a day. This is admissible only to the officers mentioned in art: 562, M. D. Srinivasiengar not being an ~~Hospl~~ Hospital Asst but being an apothecary does not seem to be entitled to this con-cession.

The order proposed is quite suitable. Male attendants should have the same privilege as female attendants - that is, by reason of their higher pay & consequent higher daily batta they cannot claim the concession allowed to Hospital staff in the matter of mileage.

Order thereon No 2998/19 P&A 30-6-04

In the bill, daily allowance is claimed at Re 1-8-0 per diem, a rate allowed to Lady Apothecaries under Appendix no 2 of the Mysore Service Regulations. The Offg. Senior Surgeon recommends that the claim may be sanctioned and that the Comptroller may be

Appointments of Srinivasangar
and Venkoba Rao having
been made as a Special

that they should be
allowed the same rate
of travelling allowances
as is admissable to the
Laoy Apothecaries. The
Comptroller is therefore
requested to pass the
Claim in Question.

Government are pleased
to direct that the word
"Laoy" be omitted in
No 78 of Appendix 2 of
the Mysore Service Regns so as to make
the rates therein apply to all apothecaries alike.

As M. D. Srinivasangar
